Salvage Permits

NRM Department Mission Statement

Beltrami County Natural Resource Management's mission is to responsibly manage the tax-forfeited lands in Beltrami County in a sustainable manner that benefits the citizens of the County. The department is committed to a sustainable harvest and multiple use management of its lands. It also recognizes the impacts its activities can have on aesthetics, wildlife, riparian areas, cultural resources, soils, recreation, and water quality.

Salvage Permits

- Salvage firewood permits will be issued at a cost of \$25.00 per permit. All permits are non-refundable and non-transferable.
- Salvage permits are valid for three months.
- Permits may be renewed at the discretion of the District forester for an additional \$25.00.
- **No standing timber may be cut.** Only downed wood is permitted.
- Permits will be available for the clean-up of timber landing sites after timber sales are completed and closed.
- Permits will be sold on a “first-come, first-served” basis and more than one permit may be issued in a timber sale area.
- Additional permit regulations may be placed at the discretion of the District forester.
- Permits are for home use only - **NO** commercial permits will be issued.

- It is the responsibility of the permittee to inspect the salvage area prior to purchasing the permit. Amount and quality of salvage will vary by site.
- Some timber sale areas do not have public access. Private landowner permission must be obtained prior to permit approval.
- Permit holders are responsible for any damage to roads and/or trails resulting from their salvage operation.
- Roads and/or trails must be kept open and clean of debris.
- Salvage permits are only valid in the assigned area indicated on the permit.
- Permittee must possess their copy of the salvage firewood permit at all times when cutting or may be charged with timber trespass.
- Permittee shall conduct all activities in accordance with all applicable federal, state, and local laws, regulations, and ordinances.
- Violations of permit regulations will constitute a timber trespass and must be paid for at triple stumpage.

- Permits may be revoked at any time. Permit violations or timber trespass situations will result in immediate termination of the permit.
- To view available permits, use the online mapping tool at www.co.beltrami.mn.us and select “*Online Mapping*” from the *County Services* menu and clicking on “*Firewood Permits*”.

Please use the map to determine the district you are interested in obtaining a salvage permit.
