TO: Applicants for 15% PILT Funds
FROM: JoDee Treat, Auditor-Treasurer
DATE: April 1, 2022
RE: 2022 Funding Applications

Enclosed you will find the application for funding to use in requesting 2022 appropriations of the 15% PILT Funds from Consolidated Conservation Fund money.

The County Board has directed the committee to award PILT money on projects that are public safety or economic development oriented. The committee will be very careful that awards go specifically to those types of projects. Projects that do not fit these two funding categories should wait and apply for the grants that are received and awarded in November - December.

Application due date is May 31, applications must be in **the Auditor-Treasurer's Office no later than May 31st**. Please pass this application and information on to anyone who may be interested. The deadline is firm and we are grateful for your help in making sure that groups in your area are aware of it.

If you have any questions about the details of the application please feel free to contact me at 333-4175.

Applications can be emailed to jodee.treat@co.beltrami.mn.us or mailed to:
