Salvage Permits

NRM Department Mission Statement

Beltrami County Natural Resource Management's mission is to responsibly manage the approximate 147,000 acres of tax forfeited lands in Beltrami County in a sustainable manner that benefits the citizens of the County. The department is committed to a sustainable harvest and multiple use management of its lands. It also recognizes the impacts its activities can have on aesthetics, wildlife, riparian areas, cultural resources, soils, and water quality.

Salvage Permits

The Beltrami County Natural Resource Management Department offers Salvage permits.

The following regulations apply to all Salvage permits:

- ♦ All salvage permits will be issued at a cost of \$25.00 permit.
- ♦ Salvage permits will be made available after timber sales are completed and closed.
- ♦ More than one salvage permit may be issued in an area.
- ♦ Permits will be sold on a “First Come, First Serve” basis.
- ♦ Violations of permit regulations will constitute trespass and must be paid for at triple stumpage and permit will be revoked.
- ♦ Permittee must retain permit at time of cutting or may be charged with trespass.
- ♦ It is the responsibility of the buyer to inspect the permit area prior to purchasing.
- ♦ Permit holder will be responsible for damage to trails and/or roads resulting from the salvage operation.
- ♦ All permits are non-refundable.
- ♦ All permits are for home use only – no commercial permits will be issued.
- ♦ Specific permit regulations and permit duration will vary as determined by the Department forester.
