Rental Watercraft Inspection Form Instructions:

Minnesota law requires all rental watercraft to be inspected annually. If a watercraft is available to patrons free of charge it must also be inspected annually.

1. Complete the form legibly and completely.
2. Fill in the information for each watercraft as accurately as possible (use multiple forms if extra space is needed).
3. Discard any defective PFDs.
4. Provide the permit number for your swim area or swim raft. If you do not have a permit one must be obtained prior to the inspection.
5. When the form is complete e-mail it to our Records Office at: beltrami.records@co.beltrami.mn.us or mail/drop off to:

Beltrami County Sheriff Records Office
613 Minnesota Ave NW
Bemidji, MN 56601
6. Once the completed form is received a Deputy will be able to conduct the inspection. Inspections will be completed as soon as time allows and often grouped by area.

If you have any questions feel free to call the Boat and Water Office: 218-333-8359
