NEWS & REMINDERS

Please remember we've changed the deadline for submitting sealed bids. **Sealed bids are now due at 11:00 am on Tuesday, April 2, 2024.** We will begin opening bids at 11:00 am that day, allowing us to share the auction results the same day. Please also be sure to submit a \$300.00 bid guarantee check along with your sealed bid.

To prepare your bids, I encourage you to use all of the information available and make a visit to the sale area. In addition to the species, estimated volumes, access, and season of operability found in this publication, each timber sale has a Timber Appraisal report that lists additional conditions of the timber sale. This information is essential for you as a bidder and can be accessed through the county website at www.co.beltrami.mn.us. From the *Home Page*, hover over *Business & Development*, then click on *Timber Sales*. The tract numbers will be listed in the center of the screen; clicking on the tract number will bring up the Timber Appraisal report and associated maps.

If you have any problems accessing the timber auction data, please contact us.

Thank you,

Richard A. Moore, NRM Director & Land Commissioner
