BELTRAMI COUNTY AREA VACATIONER'S GUIDE

FOR SHORT-TERM RENTALS

BELTRAMI COUNTY, MINNESOTA

Welcome

to Beltrami County

Visitors and residents alike revel in the perfect balance of beauty and quiet serenity complimented by all the best shopping, dining, and overnight accommodations that you can imagine. While all the lakes and woods provide great outdoor opportunities, you can also find plenty of fun around many of the local attractions.

Many visitors to Beltrami County choose to rent a home for that special private lakeshore experience. Renting a home also provides space and amenities to entertain family and friends. Renters enjoy the beauty and tranquility of our lakes, forests, and open spaces that permanent residents have year round. We encourage you to embrace this special sense of being close to nature and to respect the safe and quiet neighborhood during your stay.

In short, being a vacation renter also means being a good neighbor.

As a Good neighbor please consider...

Noise: Please limit loud music and noise to be considerate of neighbors who are likely not on vacation. Voices can carry across properties, so check your volume around the hot tub, deck, or fire pit, especially during “quiet hours” for short-term rentals between 10 pm and 8 am.

Parking: Vehicle parking shall be on driveways, designated parking areas, and legal public parking options. Vehicles should never block neighboring driveways or impede sight lines.

Occupancy: The number of overnight guests and visitors to short-term rental properties is limited by County Ordinance. This property is licensed for ___ overnight guests.

Garbage: Please keep the property and lakeshore free of trash. Refuse should be stored in containers provided and kept out of sight. Beltrami County encourages recycling so please do your part.

Please keep in mind...

Any violations of the County Ordinance and short-term rental agreement should be reported to Beltrami County Environmental Services (218 333 4158) and could result in a citation or eviction.

Be aware...

Some lakes in Beltrami County contain aquatic invasive species (AIS) and/or have restricted areas for boating. Please help to keep AIS from spreading by cleaning, draining, and drying all boats and equipment, properly disposing of unwanted bait and removing attached mud and weeds from watercraft and trailers. For more information on AIS visit: [http://www.co.beltrami.mn.us/Departments/ESD/Aquatic Invasive Species](http://www.co.beltrami.mn.us/Departments/ESD/Aquatic%20Invasive%20Species)

We hope that your stay in Beltrami County creates many lasting memories. Remember to be a good neighbor, and you'll be welcomed back to your home away from home!
