

Oversize and Overweight Movement (includes mobile homes)

The Beltrami County Highway Department requires permits for oversized and overweight vehicles whenever they exceed current legal limits. This requirement emphasizes safety for the traveling public and helps minimize the potential damage that might be caused to County Highways, traffic control devices, public utilities, and other infrastructure.

All permits are reviewed and considered on a case by case basis.

General Guidelines

1. Permit applications require time for review and multiple signatures. Applicants shall submit applications on a timely basis to allow for the review.
2. Mobile home taxes are required to be paid before permit approval. A release from real estate and tax office must be provided with the application.
3. The applicant is responsible for reviewing the haul routes to identify bridge crossings, box culvert crossings, ability to make corners, special traffic control needs, utility impacts and any other concerns that exist along the proposed haul routes.
4. The applicant is responsible to notify the County Highway Department of any signs or other traffic control devices that might be impacted. Any signs that need to be removed will be completed by the Highway Department. Any costs will be charged to the applicant.
5. The applicant is responsible for any required traffic control and coordination with the County Sheriff's Department.
6. The applicant must provide a certificate of insurance. The applicant must have the following insurance coverage:

Insurance Minimum Requirement

General Liability \$1,000,000

Professional Liability (if applicable) \$1,000,000

Auto Liability \$1,000,000

Excess Liability (excess of General and Auto Liability) \$1,000,000

Workers Compensation Statutory Limits (\$100,000 per person / \$500 per accident)

7. Movers will be responsible for any repair costs for any damage resulting from illegal hauling.

8. Any permits issued after the fact will be charged a \$300 fee.

9. If you are moving a home or other structure off of a foundation in excess of 16 feet wide by 20 feet long a copy of your Home mover's license must be submitted with your application.
