BELTRAMI COUNTY SOLID WASTE DEPARTMENT

BLACKDUCK COMMERCIAL SELF-HAULER 2020-2021 LICENSE APPLICATION

All Beltrami County businesses that have elected to self-haul their Solid Waste to a Beltrami County Transfer Station must follow the guidelines set forth in the Beltrami County Solid Waste Service Fee Ordinance as approved by the Beltrami County Board of Commissioners. The Ordinance requirements are outlined below:

All Self-Haulers must renew their License and pay an annual License fee of five dollars (\$5.00). Self-Haulers must continue to report all refuse delivered to the Blackduck Beltrami County Transfer Station. No business waste will be accepted without a Self-Hauler License.

The following procedure must be adhered to by all Self-Haulers for commercial businesses when delivering Commercial Solid Waste to the Blackduck Transfer Station:

1. Enter the Yard
2. Proceed forward to the scale, wait for Attendant to record your full weight
3. Proceed to the unloading area and unload your trash
4. Proceed forward to the scale *again*, wait for Attendant to record your empty weight
5. The price for Commercial Solid Waste is \$24/cubic yard, and can be charged at the time of drop-off. Otherwise, the weight of your trash will be recorded to compute your annual Solid Waste Fee. (This site does not have the capability to run credit/debit cards – only cash and checks accepted)
6. Get completed ticket from Attendant - it is yours to keep

Per MN Statue 115A.93 you must submit an annual report to the MPCA.

Please remit your license fee of **\$5.00** made payable to Beltrami County Solid Waste and mail it to Beltrami County Solid Waste, 751 Industrial Park Dr SE, Bemidji, MN 56601. Any questions, please call (218) 333-8278.
