Beltrami County Source Separated Organics Program Participant Agreement

I, _____, voluntarily agree to participate in the Beltrami County Source Separated Organics Program.

Guidelines:

1. Sign Participant Agreement
2. Receive Container Lock Code and (5) 3 Gallon Compostable Bags
3. Only put the approved items in your Compostable bag or Container.
4. Bring full bag(s) or Container(s) to either Blackduck or Bemidji Transfer Station and deposit in the Organics Composting Roll-Off Container.

I understand the guidelines may change as this is a new program and things may change during the 2 year pilot program.

Businesses will see a reduced disposal fee, and/or transportation cost.
