

Beltrami County Opioid Settlement Steering Committee Seeking Community Member(s)

Beltrami County Board and Public Health are committed to preventing and reducing the negative impacts associated with opioid misuse, opioid use disorder, and overdose deaths. To determine how to prioritize use of these funds, **Beltrami County Opioid Steering Committee is seeking community involvement.**

This committee serves to prioritize use of settlement funds and the purpose is to advise/offer guidance on directing settlement funds across broad categories including prevention, criminal justice, treatment, recovery, and harm reduction.

If you have a vested interest in joining this solution-based group, we would like to invite you to complete the Application of Interest. The application, directions, are listed below.

Application Criteria: Live or work in Beltrami County

Directions: Please answer the following 6 questions.
