

E-Waste Recycling

MN LAW: YOU MUST RECYCLE ANY ELECTRONICS.
PHONES, TVs, COMPUTERS...EVEN MUSICAL
GREETING CARDS!

Beltrami County's
E- Waste is sent
to the Retrofit
Companies
in Owatonna.

E-Waste Recycling Process

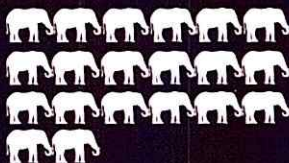

Collection Transport Sort + Shred Remanufacture
Protect yourself & the Environment. Keep electronics out
of the Trash.

in 2019
130 tons
of e-waste was collected
in Beltrami County alone!

That's the equivalent of
20 African elephants!

Why should we recycle E-Waste?

Electronics have valuable
resources that can be
recovered!

Valuable Materials

- Gold
- Silver
- Platinum
- Aluminum
- Copper

Hazardous materials

- Lead
- Cadmium
- Mercury
- Beryllium

What can you do?

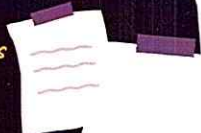

REDUCE. Buy only what you need.

BUY USED. Save money. Save Resources.

REPAIR. Increase the lifespan + use of devices

DONATE. Keep goods out of waste stream.

RECYCLE. Save resources. Protect the Environment.
